

20mph speed limit for Harlton

In April this year, at the Annual Village Meeting, the Parish Council reported it would explore options for traffic calming measures in the village. This included eligibility for Cambridgeshire County Council, Local projects 20mph speed limit funding scheme 2023/24.

Funding and delivery of a 20mph initiative for Harlton was formally approved by Cambridgeshire Highways and Transportation Committee on the 3rd of October. The costs will be met in full by CCC.

The scheme will be implemented between March – September 2024.

The Parish Council welcomes your views before it makes a decision on whether to take forward the initiative to introduce a 20mph limit or withdraw the application.

1. Would you support a 20mph limit throughout the village? YES/NO
2. Do you feel a 20mph limit will improve safety for pedestrians, cyclists and horse riders?
Strongly Agree/Agree Neither Agree/ Disagree Disagree/ Strongly Disagree
3. Do you feel a 20mph will encourage more people to walk and cycle for short journeys.
YES/NO

4. What difference might the introduction of 20mph speed limit make to you personally.

5. Any other comments? Why would a 20mph limit benefit Harlton?

Please email your responses to clerk@harltonparishcouncil.org.uk by 8th November or return the FORM: to 15 Haslingfield Road, Harlton.

The Parish Council will consider the responses at its November meeting when it makes a decision on whether to proceed with the scheme.
